WHAT IS HAPPENING AT OUR PARISH?

As many of you know, we have been planning to move the offices to the former "Parish House." As of today, our offices are now located at 22 Halsted Street (which is the white building located to the right of the church). It will now be known as the "Parish Center." Also, the Food Pantry and Faith Formation Offices (both for Grades 1-8 and Confirmation) will continue to be located here.

Two weeks ago, we held our 5th Annual Golf Outing, and although we had less golfers participate this year, we still made a net profit of \$11,100.00. Thank you to all those who participated and supported this yearly endeavor.

The floors in the sacristy have been completely removed and we discovered the beautiful, original hardwood floors. They were stripped, stained and polyurethaned. Additionally, we have a brand new sink and cabinets. We are almost 90% complete.

We congratulate Larry Erwin, that after 22 years of faithful service, he has submitted his retirement to the parish. Let us take a few moments and thank Larry for his many years of service to the church and formerly to Saint Joseph School.

Saint Joseph Regional School proudly hangs a new American Flag on their pole thanks to an anonymous donor.

This coming week, you should be receiving your Parish Census Form. If you do not receive one, there will be some available at the entrances of the church (*and the Community Center*) after all Masses. Thank you!
