## PARISH CENSUS FORM

***Please note:** All the information gathered in this form will be held in strict confidentiality and will be used solely for the pastoral needs of the parish and not shared with any third party.*

# SAINT JOSEPH

## ROMAN CATHOLIC COMMUNITY

22 Halsted Street + Newton + New Jersey + 07860-2003 + 973-383-1985

October 2015

Dear Member of Saint Joseph Church:

Please find enclosed a copy of our NEW **Official Parish Census Form**. We would ask you to please take a few moments and completely fill out this form (to the best of your ability) whether you have been a member of the parish for a hundred years or just recently joined, so that you can be an **official part** of Saint Joseph Roman Catholic Church,

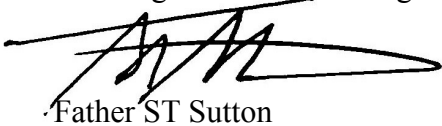

One of the most important ways of maintaining our “youthfulness” and continuing the vibrancy of our parish community is to have accurate records about our parishioners. While many of our parishioners have been with us for many years, some have moved away and new parishioners have recently become members of our parish family.

Therefore, it is **very important** that we have up to date and accurate information about you **and** your family. After completing this form, you may mail it back to us, drop it off at the Parish Center, or bring it with you to church on Sunday and place it in the collection basket.

If you have any questions or need assistance, please call Anne Lundgren at the Parish Center (973-383-1985).

Thank you for your continued, positive presence, prayerfulness and generous support and may God continue to bless the Parish Family of Saint Joseph.

Working harder to work together to make a difference,

Father ST Sutton

*(Please note that all information will be kept strictly **confidential** and will not be made available to any third party or organization).*

Please provide the requested information for each adult and each child in your home. Please **PRINT** clearly.

Family Name	#	Street Address	Apt. #
If married, wife's maiden name		Date of marriage	
Please indicate how you would like your mailings <b>exactly</b> addressed:			
<input type="checkbox"/> Mailing address (if different from street address):
